Facilitated Appointments

If your company wishes to meet executives from other companies, TAPPI will help set up these meetings and offer custom meeting space. We also ask each participant to consider accepting appointments from registered conference attendees and exhibitors.

Limited Seating Presentations

If your company is interested, you may give a 30 minute presentation to a limited audience. Due to limited meeting space at the Hilton, only smaller rooms are available. Invitations can be extended to a predetermined list, or opened on a first-come, first served basis. Invitees must be registered conference attendees.

Forum Lounge & Meeting Space

As a Forum attendee, you will have access to the Business Leaders Forum Lounge & Meeting space within the BioPro Exhibit Hall.
